

The Department of Space Management conducts a mandatory key audit once a year. As part of this process, we request each ward/stake to provide the key number and copy number for each key in their possession.

We will notify you when we are ready to begin the key audit.

Below is an example of what these keys should look like:

Thank you for your cooperation. We couldn't do this without you. This audit allows us to update our database on all keys used for on-campus YSA wards and stakes, ensuring accurate and up-to-date records.
